THEST WARD INDEPENDENT TICKET.—I SAW IN the Herald of yesterday that a gentleman had been making a free use of my name to establish a fact already known and admitted, which is, that I prefer Josiah W. Brown for Alderman of the First ward to Mr. Robert S. Collins. I so stated to the committee where Cellins unfairly obtained his nomination, and I so stated to the Independent Committee, by whom I had the lonor to be nominated. I do not deny it now, and any person having the least knowledge of the two men will find no fault with me for my choice. Nevertheless, the independent voters of the ward having put me in nomination, I shall shide the issue of the election as their candidate for Alderman.
